STEARNS WEAVER MILLER SHAREHOLDER PLAYS INTEGRAL ROLE IN MARQUEE REAL ESTATE DEVELOPMENT EVENT

MIAMI —November 2011— On October 26, 2011, Stearns Weaver Miller Shareholder, Chuck Brecker, chaired an all-day presentation in Los Angeles, California for the Urban Land Institute's Urban Development Mixed Use Council, focusing on creating, developing, financing and marketing such projects. Apart from chairing the event alongside notable real estate professionals, Mr. Brecker also served as a moderator for the program.

Chuck Brecker is a Shareholder in the Real Estate Department and has been a ULI Advisory Board member since 2003 and a Management Committee member since 2012. Mr. Brecker principally represents residential and commercial real estate builders and developers, as well as investors, in acquiring, financing, developing, constructing, selling, and leasing residential, commercial, and mixed-use projects, many of which consist of vast acreage. In addition, Mr. Brecker has experience in the creation of condominium and homeowners' communities, hotel and office condominiums, and has handled resort and club real estate transactions. Mr. Brecker also represents local and national institutional lenders concerning a variety of real estate loan transactions.

Chuck Brecker said "It is my distinct honor to be involved with ULI, a great organization dedicated to making the world a better place in which to live, work, play and be entertained."

ULI, the Urban Land Institute, is a nonprofit research and education organization supported by its members. Founded in 1936, the Institute now has members in 95 countries worldwide, representing the entire spectrum of land use and real estate development disciplines working in private enterprise and public service. The Urban Land Institute created the Councils to focus on specialized fields in land use and development. They are designed to provide a forum for education, networking, and sharing best practices among ULI Full Members. Councils promote excellence in programming, solicit the highest quality of industry leader, and foster and preserve a culture of openness and sharing. ULI Council members play a critical role in building communities, developing and redeveloping neighborhoods, envisioning and recreating business districts, planning and implementing industrial parks, bringing residential, retirement, and recreational spaces to life, and designing mixed use facilities that are a part of sustainable urban and suburban environments worldwide.
