

STEARNS WEAVER MILLER WEISSLER ALHADEFF & SITTERSON, P.A.

Careers

Over the past 30 years, our Firm has grown from a small Miami- based group, to a full- service commercial law firm serving clients throughout Florida and nationwide. We maintain the feel of a smaller firm while simultaneously competing for and earning some of the most sophisticated legal work around.

We attract highly complex work and provide a level of service superior to that of some of the giant firms that often sacrifice quality for quantity. A commitment to quality over quantity allows us to be highly selective with our candidates. Each year, we interview hundreds of applicants, but hire only a few. Our new attorneys immediately enjoy challenging and interesting projects, working across departments and side by side with senior attorneys on a variety of matters.

At all levels, we look for self- starters who require little hand- holding, who are considerate, self- confident and intelligent, and who have good work habits, a sense of humor, a well- rounded legal education and practical life experiences beyond academia.

Our compensation plan is unique among Florida law firms. Salaries are merit- based and are customized to match skills, goals, and contributions to the Firm. We live in one of the most beautiful areas in the world and are encouraged to take full advantage of all that Florida has to offer by balancing our professional lives with our personal lives. We are also deeply involved in our communities and regularly commit time and resources to those in need.
