

29 Stearns Weaver Miller Lawyers in 12 Practice Areas Ranked In *Chambers USA* 2021

MIAMI, FL — May 20, 2021 — Stearns Weaver Miller announced that *Chambers USA* has once again recognized the Firm and its lawyers as among the top law firms in the State of Florida; the 2021 edition ranks 29 of the Firm’s lawyers in 12 practice areas. Chairman Eugene Stearns is again recognized as the only “Star” Individual in the state for Commercial Litigation and the Firm’s litigation department as Band 1.

“It is an honor to have achieved this recognition again,” Stearns said, “but no lawyer can be successful in complex litigation these days without a strong team of lawyers and staff, a substantial and long-term investment in trial technology and training and a willingness to go to trial fully prepared and without fear. Because they are my partners, I don’t have to worry about trying a case against Jay Shapiro, Alan Fein, Tom Aubin, Grace Mead, Jason Hernandez, Glenn Burhans, Josh Munn, Maria Fehretdinov, Jenea Reed, Darrell Payne, Andrew Stearns or Jason Koslowe, just to name some of the experienced trial attorneys in the Firm. The collegial environment we enjoy also allows us the luxury of access to leading lawyers in real estate, land use and environmental regulation, banking, corporate and finance, tax, bankruptcy and labor. Proficiency is next door.”

Chambers USA is a branch of *Chambers & Partners*, a highly regarded global publisher of directories that ranks the world’s top lawyers and law firms. Rankings are based on extensive research and client interviews conducted by *Chambers’* team of researchers.
