

E. RICHARD ALHADEFF

December 17, 1943 - September 26, 2021

When Richard Alhadeff walked into a room, everyone looked up.

He was a tall man with a quick smile.

When Richard Alhadeff spoke, everyone listened.

It wasn't just his keen knowledge of the law, he was a man of integrity and character.

His clients relied on him and he always put their interests first.

Richard Alhadeff was an incredible teacher — he knew more about real estate than anyone — he had a broader range of real estate knowledge than anyone.

And he was never too busy to stop working on what was on his plate to help us on what we had on ours.

Richard retired from the Firm 12 years ago. But the hole in our hearts and at the Firm remains even all these years later.

Rest In Peace, Richard.
