

## RECENT STATE OF FLORIDA GOVERNMENT ACTIONS

**Essential Service List Additions** | Department of Emergency Management [Memorandum Dated April 9, 2020](#) | The DEM, under the authority of Executive Order 20-52, added to the list of “essential services” allowed under Executive Order 20-91. The additions (i) allows “urgent” counseling services if social distancing guidelines are followed; (ii) theme park, entertainment complexes, and zoos for limited purposes necessary to maintain and preserve the animals and facilities; and (iii) professional sports and media production if for national audiences and if the location is closed to the general public.
