Foreclosure and Eviction Tolling | Executive Order [20-121](#) | With the impacts of COVID-19 orders continuing to limit some citizen's ability to pay for mortgages and tenancies, the Governor extended Executive Order 20-94 to suspend and toll all foreclosures and residential evictions until June 2, 2020. The order does not relieve or forgive any requirements to pay rent or mortgages, it just halts the remedy process until June 2, 2020.
