MIAMI, FL — July 5, 2016 – Stearns Weaver Miller announced that *Give Kids A Chance*, a charitable foundation that provides college scholarships to low-income students, has awarded 28 scholarships to high school seniors across Florida for the Fall 2016 semester.

Founded in 2004 by Stearns Weaver Miller shareholder and director [Brian J. McDonough](#), *Give Kids A Chance* is a donor-advised fund that provides college scholarships to children of low-income families statewide. The fund has raised over \$1 million and awarded almost 400 scholarships since its inception.

“Every year we are amazed and impressed with the number of students applying for scholarships and their inspiring stories,” said McDonough, a real estate lawyer whose practice focuses on representing developers of affordable housing. “This year was no different, making the review process challenging. We thank all of our applicants for their applications and inspirational stories. We wish you all great success as you pursue your education and realize your dreams.”

The charity’s main fundraising event is an annual golf tournament held in Miami Beach, attended by leaders in the affordable housing industry who support the program.
