

AN EVOLVING WORLD IN HR

HR Insights 2011

The Chamber's Human Resources and Business Education Committee has designed programming for small business owners, executives, HR professionals and all captains of industry offering a stimulating and informative forum that highlights topics that support business strategies with HR related resources.

Experts will discuss the current state of human resources, workforce training/education, trends, employment law, organizational development and performance management.

Detailed Agenda available online at MiamiChamber.com.

Program pending approval for HRCI recertification credits.
