**Stearns Weaver Miller Earns Recertification in Meritas,
the Leading Global Alliance of Independent Business Law Firms**

***Stearns Weaver Miller membership in Meritas means clients can
access quality legal expertise around the world***

Miami, Florida – December 21, 2021 – Stearns Weaver Miller, a Florida-based law firm, today announced that it has been awarded recertification in [Meritas](#), a global alliance of independent business law firms. Stearns Weaver Miller joined Meritas in 2015 and, as a condition of its membership, is required to successfully complete recertification every three years.

Meritas is the only law firm alliance with an established and comprehensive means of monitoring the quality of its member firms, a process that saves clients' time validating law firm credentials and experience. Meritas membership is selective and by invitation only. Firms are regularly assessed and recertified for the breadth of their practice expertise, client satisfaction and high standards of cybersecurity to keep legal information safe. Meritas' extensive due diligence process ensures that only firms meeting the tenets of Meritas' unique [Quality Assurance Program](#) are allowed to maintain membership. The measurement of the firm's performance, based on input from clients, is reflected in a Satisfaction Index score, which is available online on the Meritas [website](#).

“Our values of quality service and client satisfaction align with the Meritas mission to provide a safe and responsive global offering to clients,” said Rick Schatz, Shareholder and Managing Director at Stearns Weaver Miller. “We’ve successfully collaborated with colleagues in many jurisdictions around the world to solve client issues and help them seize opportunities outside of this market. We look forward to keeping those vital connections through membership in Meritas.”

The recertification process Stearns Weaver Miller completed to maintain its membership status included exacting self-assessment, peer review by other law firms and client feedback.

“Businesses trust the Meritas alliance of law firms for top-tier quality, convenience, consistency and value,” said Sona Pancholy, president of Meritas. “Stearns Weaver Miller has demonstrated its commitment to world-class legal standards, and therefore has successfully earned its recertification in Meritas.”
