

RECENT STATE OF FLORIDA GOVERNMENT ACTIONS

Youth Activities | Executive Office of the Governor | Governor Ron DeSantis [announced](#) that all state-issued restrictions on youth activities due to COVID-19, which includes summer camps and youth sports, will be lifted, effective immediately. The Florida Department of Health is expected to release guidance to assist organizations with re-opening these activities. It will be up to local officials to determine specific precautions and/or restrictions to these activities, such as mask requirements.
