**Data Source:** Florida Department of Health, Florida COVID19 Cases by Zip Code, June-18-2020. This data represents the change in weekly positive COVID-19 tests from 6/11/2020 to 6/18/2020.

**Notes:**  
Zip Codes where the total cases are Less than 5 or Less than 5 county-wide are not included in these calculations.  
These totals may not reflect the numbers shown on the department's official data dashboard.  
Some zip code differences may reflect corrections over time.
